

# What's new in AHFS Drug Information

## First update 2008

**AHFS Drug Information is continually undergoing re-validation and revision. Each month, new and revised sections are published on MedicinesComplete. This is a list of the changes made since the last update.**

This update, corresponding to the 2008 print edition, has been updated extensively, and includes MedWatch notices that were issued in January/February 2008.

### Revised monographs

Nelfinavir  
Indomethacin  
Caffeine
